Raiders lose 1st

The Raider varsity baseball squad lost their first game of the season last Wednesday, then defeated William Campbell Friday night for the team's tenth victory of the year.

Wednesday's game against Liberty was a cliffhanger in which Liberty finally prevailed, 3-2.

Liberty went ahead 3-0 in the fifth inning on a single and a double, and two unearned runs following a Raider error.

The Raiders bounced back in the sixth inning, scoring two after Keith Mann led off with a single, Gary Ferguson struck out, and Jody Williams doubled. Rodney Bryant then singled to drive in two runs.

Liberty pitcher Pat Overstreet looked as if he might become the tenth victim of the Raider attack when in the seventh inning Tim Bennett and Allen Edmonds each singled to start the inning, then advanced to second and third base on a sacrifice fly by Ken Caldwell.

M. J. House hit a sharp grounder to shortstop for an out, however, and the game ended when Overstreet struck out Mann.

Appomattox and Liberty both got seven hits in the showdown between the two Seminole District powerhouses. Coach Howard Clabough commended the pitching efforts of Kevin Mitchell, who went the first four and one-third inning, and Greg Mayberry, who finished the game.

The Raiders had an easier time Friday against William Campbell.

Greg Mayberry pitched a one-hitter, struck out 12, and almost had a no-hitter when Gary Ferguson made a valliant, if vain, attempt to catch the lone William Campbell hit.

The Raiders scored in the first, third, fourth, sixth and seventh innings. Enroute to the victory, the Raiders collected three doubles, triples, and a home run. Edmonds slammed the long home run in the sixth inning.

"I was pleased with the pitching and the hitting against William Campbell," Coach Howard Clabough said of the game. The victory raises Appomattox's record to 10-1 overall, 3-1 in the Seminole District.

At the start of the week, the Raiders had five games remaining this season. The top four teams in the district will play off at the end of the season to see who other than the regular season title holder will advance to the regional tournament.

Liberty is now 4-0 in the district.

Raiderette softball team still wiunning games

The Raiderette softball team won its eighth and ninth games of the season last week. Appomattox defeated Liberty on Wednesday 28-13, and the team defeated William Campbell 18-5 on Friday.

The Raiderettes took a 1-0 lead in the first inning, but Liberty came back to score five runs in the half of the first. The Raiderettes retaliated by scoring five in the second inning off singles by Vicki Cheatham and Kim Carter, doubles by Lolita Preston and Marlene Ferguson, a triple by Kim Hancock and a walk to Jacquetta Booker. Liberty tied the game in their half of the second inning, scoring one run.

The Raiderettes exploded for 12 runs in the top of the third inning, and took the lead for good. Four doubles, five singles, and a grand slam homer Kim Carter helped in the 12-run inning.

"We hit the ball as well as we have all year," Coach mary Tolley said after the game. The Raiderettes got 22 hits, including seven doubles, a triple, and three home runs. In addition, Appomattox stole 20 bases against Liberty.

"It was not one of our better games defensively," Tolley added. "We committed seven errors, many of which were mental mistakes. But the bats were hot enough to compensate somewhat for our sloppy field play."

The hottest bats of the day belonged to Preston (five for six, three doubles, one homer and eight RBIs) and Carter (four for six, one double, two homers, ten RBIs).

Tolley termed Friday's victory against William Campbell "not a pretty win, but a win!"

The coach noted that the girls made seven errors and "never really looked sharp.

The Raiderettes were led in their 18-5 victory by Vicki Cheatham with four runs and four hits (two doubles and two triples), Robin Paulette (three runs, three hits and four stolen bases), and Preston, Hancock and Carter, who scored two runs each.

Marsha Cheatham (one double and one single), Cindy Covington (a single and a triple), and Kim Hancock (a single and a double) all got two hits against William Campbell.

The Raiderettes are now 9-2 on the year, and have a 4-0 district record.

BABCOCK MANOR residents were treated to a bit of spring when children from the Appomattox Children's Day Care Center visited the home the week before Easter. Accompanied by Miss Patricia Gaines, Director of the Center and Teachers, Miss Eileen O'Donnell and Miss Melissa Randolph, the children carried a basket of fruit, an Easter lily, and eggs they had decorated to the residents. After they distributed the gifts they sang songs and enjoyed a time of fellowship before leaving. "To publicly show school spirit, and loyalty to Appomattox County High School. To show sportsmanship, and support to our atheletic teams whether in victory or defeat. To be representative of good will to visiting teams." This is the written purpose of the cheerleading squads at Appomattox County High School.

At ACHS there are two cheering squads, varsity and junior varsity. Tryouts for next year's football and basketball cheerleaders were recently held.

To tryout, the person must have evaluations from three teachers. They are rated on dependability, leadership, promptness, attitude, and appearance, on a scale of 1-5. They also must have a "C" average.

Tryouts are held in the gym before a panel of judges. Each girl trying out must do two cheers, three jumps, a cartwheel, a split and must have an entrance and an exit. They are judged on their appearance, voice control, smiles, cheer motions, balance, rhythm, jumps, gymnastics, timing, and other things. Their performance is rated on a scale of 1-4.

Only freshmen and sophormores are on the junior varsity squad, and sophomores, juniors and seniors are on varsity.

The cheerleaders are on a merit system, and may be suspended from the squad if they have three demerits. If they receive one demerit they are suspended from the next game, and two demerits they are suspended for an entire week of cheerleading activities. The cheerleaders at Appomattox County High School have an active part in the athletic program. They cheer at all games, and are responsible for the pep rallies.

The new cheerleaders for the 1982-83 varsity squad are: Paige McGrath, Vivian Seay, Ann Caldwell, Eileen O'Donnel, Joanie Canada, Gina McCormick, Heather Williams, Lisa Puckett, Susan Ransom, Sylvia Trent, and Eve Thomas.

Junior Varsity cheerleaders are: Ann Hancock, Lisa Harrison, Michelle Romanac, Leslie Ransom, Denise Simmons, Betsy Wingfield, Joanne Jamerson, Teresa Austin, Angela Blanks, and Shirley Wilcox.

AMS News

The study of life skills, especially those related to careers, is a recent trend in education developed to increase student awareness of the importance and varying amounts of education needed in various occupations. Who could explain this better than those people who actually work at these selected jobs. This was Mrs. Jeffree Wilkerson's purpose behind the Career Day she held for her 7th grade math students last week. Her guest speakers included Mr. Jim Nolen; proprietor of Nolen's Real Estate; Mrs. Shirley Walton from the County Extension Office; Mr. Howard Bryan who spoke on the occupations of being a pilot and an engineer; and Mr. Gary Bosiger, production superintendent at Thomasville. "Many people all reluctant to speak before a group of students because they may not feel they are qualified or perhaps they think their occupation may not be interesting enough. Finding those who care rearrange a hectic work schedule to include spending an hour at school with our students is perhaps even more difficult. All of the speakers did a marvelous job of informing my students of various aspects of their careers. I'd like to take this opportunity to thank the guest speakers for their participation in Career Day."

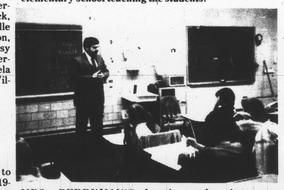
THE FOURTH-GRADE STUDENTS in Mrs. Shelton's class have studied various careers. Each student researched a career of his choice. After gathering information regarding educational requirements and job descriptions, each student completed a chart and presented an oral report to the class. As a culminating activity, the students dressed to represent the various careers of interest. Among them were teachers, farmers, construction workers, truck drivers, writers, a model, restaurant managers, armed forces personnel, and other interesting future leaders of our county.

ALL STUDENTS ENROLLED IN THE "Think Tank" Program at Appomattox Elementary School are learning conversational Spanish. Spanish students from Marcie McKay's Spanish classes at the high school are spending an hour every other week at the elementary school teaching the students.



MRS. BERRYMAN'S fourth grade class at Appomattox Elementary School, in conjunction with a Virginia social studies unit, interviewed Mr. Ronnie Spiggle, Mayor of Appomattox. The interview was conducted by Jennifer McCormick. Mr. Spiggle presented an intriguing and informative talk about our state and local government. He then entertained questions by Ms. McCormick who was well prepared. The class plans to visit local government offices as a follow-up to Mayor Spiggle's visit.
